

NOTICE TO THE BAR
STATEWIDE VIOLATIONS BUREAU SCHEDULE

The Supreme Court has amended the Statewide Violations Bureau Schedule, consistent with R. 7:12-4. The amendments, effective May 1, 2002, were prompted by recent legislation and recommendations of the Municipal Court Practice Committee.

The principal changes to the Statewide Schedule include increased toll amounts and E-Z Pass violation fines on the New Jersey Turnpike, a number of new violations to existing sections of the Statewide Schedule requested by the Division of Fish and Wildlife, the addition of a new section regarding deer hunting violations, and a number of changes by the Division of Fish and Wildlife due to Federal regulatory changes. Please note that none of the changes to the Statewide Schedule affect the design of or offenses listed on either the Uniform Traffic Ticket or Special Form of Complaint and Summons.
